- Work from home possibilities.
- Applicant can also sell annuities as long as business goes through us.

Think Community

You help me, I help the next guy, and on it rolls, this is how we started as a crew; by being a community!

Community, that is the topic for Open MIC this week.

We are doing something we have never done before, a true Question and Answer. So here is your opportunity to ask anything!

Please get involved, product, internet, leads, case preparation; How to do it!

If you would like to ask any questions in advance, email them to me at bbroich@msn.com

Here is one question already asked:

Q. With the stock market going so high, how do you answer an existing client who is complaining about caps?

By the way, everyone on the call can also answer any question, lets be a community!

Thank you for joining us on Open MIC

Disclaimer:

My opinion and/or numerous sources compiled by me are used in preparing Open MIC.

I obtain information from many sources, print, internet, agent gossip and other media. I always try and provide the original source or the link but my note taking habitually is lacking.

Much of the content on Open MIC is written by me and is my personal opinion. You should never consider that I am the world's greatest authority or expert on anything. Always consult professionals who are licensed to give correct advice regarding taxes and securities and other topics of great importance.

I am an authority in lead generation and marketing annuities and am fully licensed as an insurance salesman. I sell state approved annuity products provided by licensed insurance companies.

I am also NOT an economist by license, only by hobby. If you decide to make decisions based on my particular view of the world, you should get it verified by licensed professionals or get your head examined.

Open MIC is and was created for the entertainment of our agents, family, friends, guests, industry spies and me. Be careful with the information contained in Open MIC and always get advice from licensed professionals. You never know, sometimes I might make something up....so always verify!

Also, the information used in Open MIC is free; I assert no copyright or literary rights. Copy away.

Our competitors will copy Open MIC anyway so I might just as well give it away, saves so much mental anguish and sleepless nights.

More Legal Stuff...

Be responsible... we cannot know your individual situation, always do your own due diligence before responding to any offer or investing any money.

I can't accept responsibility for the profitability or legality of any published articles or opinions published in Open MIC. Nothing in these Open MIC notes should be considered personalized advice. Although I may answer your general questions, I am not licensed under securities laws to address your particular situation. No communication by me to you should be deemed as personalized advice.

And, although all of the articles have been selected for their content, however in the interests of balanced reporting we often publish articles we may not agree with, the publishing of such articles within Open MIC notes does NOT constitute a recommendation of the products or services mentioned or advertised within those articles.

We make no compensation for the publishing (or hosting) of Open MIC Notes.....in fact it costs us for the phone "call in" system...oh well...
